Using the Perkins Data Collection website <http://doe.sd.gov/ofm/prf/index.asp>, complete the following chart (you will need to run several reports to obtain the information):

Measure	07-08 School Year % Attained	Did the program meet the measure? (Yes, No)	If measure was not met, what steps will be taken to meet the measure in the future? Will Perkins funds be allocated to help attain the measure?
1S1 Academic Attainment Reading/Language Arts			
1S2 Academic Attainment Mathematics			
2S1 Technical Skill Attainment			
3S1 Secondary School Completion			
4S1 Student Graduation Rate			
5S1 Secondary Placement			
6S1 Nontraditional Participation			
6S2 Nontraditional Completion			

Review your PIP goals set in 07-08 and answer the following questions.

1. Indicate the program goals set, progress and impact made since the goals were implemented.
2. Identify any goals and action plans that have been modified or added.
3. How will your program goals affect the expenditure of your Perkins funds?
4. Describe how your program goals align with the consortium/multi-district or stand-alone school's Perkins local five-year plans.
5. Indicate what technical assistance is needed from OCTE.
